Sarah Louise Miller

Sarah Louise Miller, daughter of Ken and Sheryl Miller of Jamestown, was born July 13 at 11:06 a.m. The baby, who weighed 6 pounds and 13 ounces, was delivered by Dr. Richard Holland at Forsyth Medical Center in Winston-Salem.

The baby's grandparents are Mac and Joan Krieger Roseman of Tamarac, Fla., Shirley Miller of Ft. Defiance, Va., and the late Harry Garland Miller.

Mr. Miller works for W.E. Stanley & Co. in Greensboro.

Mrs. Miller works for the Winston-Salem Journal.

Amanda Lee Gaglione

Amanda Lee Gaglione, daughter of Sal and Elizabeth Gaglione of Clemmons, was born July 21 at 1:27 p.m. The baby, who weighed 7 pounds and 4 ounces, was delivered by Dr. Dennis McCunniff at Forsyth Medical Center in Winston-Salem.

Mr. and Mrs. Gaglione brought their new baby home dressed in a pink terrycloth bonnet and sleeper, a gift from Mrs. Gaglione's niece, Adrienne Blanchard, who is the baby's godmother. The baby's nursery is decorated in a Classic Winnie the Pooh theme, with pastel yellow walls and white furniture. The baby's crib is an heirloom passed down through three generations.

On July 28, the parents celebrated Amanda's one-week birthday with a party at home. The baby's maternal grandparents, Armando and Dahlia Cruz, and aunt and uncle, Sara and Larry McGarvey, were guests.

The baby's paternal grandparents are Phyllis Gaglione of Solon, Ohio, and the late Alfonso Gaglione.

Mr. Gaglione works for Financial Management Services in Greensboro.

**Publication Guidelines**

**DEADLINE:** Noon, two Fridays (9 days) before desired Sunday publication date (announcements run only on Sundays). We are not responsible for misdirected or delayed forms or lost or damaged photos.

**WRITING GUIDELINES:** The Winston-Salem Journal will use the information provided on the form to write your announcement following guidelines developed from our own style and the Associated Press Stylebook.

**PHOTO REQUIREMENTS:**

- 5 x 7 black and white, professional glossy print works best for reproduction. For digital photos, a 5 x 7 image at 200 dpi (minimum) is required.

- The photo’s VERTICAL DIMENSION must be longest.

**Please put your name on the back.**

The Winston-Salem Journal reserves the right to refuse for publication photos that are deemed poor quality.

Photos may be picked up at the front counter on Marshall Street within 30 days after publication. To have your photo mailed back to you, please enclose a self-addressed, stamped envelope with your announcement and payment.

If you have questions, call the Celebrations Editor at 336-727-7422. Mail the completed form to the Winston-Salem Journal, Attn: Celebrations Editor, or return it to the Winston-Salem Journal lobby between 8:30 a.m. and 5 p.m. Monday–Friday. The form must be signed by one of the principals.

Prices effective April 1, 2009
As stated on our forms, a 5-by-7-inch, black and white, vertically oriented, professionally-taken glossy print works best for reproduction. However, this is a recommendation, NOT a requirement; if the photograph you want to use isn’t already in that format, please DO NOT modify it to fit those specifications. When choosing your photograph, keep the following guidelines in mind:

- Sharp, clear, high-contrast, well-focused photographs reproduce best on newsprint. Soft-focus photographs do not reproduce as well.
- Professional-quality photographs usually reproduce better than snapshots.
- Photos will be cropped to fit the proper template size for the desired announcement. Photo sizes in 2- and 3-column wedding announcements will vary depending on the proportions of the photograph and the amount of text in the announcement.
- Photos may be mailed, hand-delivered to our front counter at 418 N. Marshall St. in downtown Winston-Salem, or e-mailed to celebrations@wsjournal.com. They cannot be faxed; faxed photographs are never suitable for print. Your photographer may e-mail your photograph directly to us; many local photographers prefer to do so.
- NEVER make reprints at a store kiosk, or with an inkjet or laser printer. These reproductions cause a reduction in print quality that CANNOT be restored.
- If you are planning on scanning a photo and sending it to us, be aware that its print quality will be much better if you provide the original photo for our staff to scan here. Their scanners are calibrated to specific settings that will help your photo look best when printed.

**Can I use a digital photograph?**

Digital photographs are usually acceptable for use. All digital photos should have a resolution of at least 200 dpi at the size they are to be printed in the newspaper; most digital cameras sold today capture photos at an acceptable resolution. NEVER PRINT A DIGITAL PHOTOGRAPH! Simply e-mail the original digital file as an attachment to celebrations@wsjournal.com. WE CANNOT ACCEPT ANY PRINTOUTS OF DIGITAL PHOTOGRAPHS. DO NOT crop the file, convert it to black-and-white, or change any of the settings such as brightness or contrast. These changes may look great on a computer screen, but the process of printing black ink on newsprint causes your photo to look very different from what you may see on your screen. We have experienced photo editors on staff who are aware of these printing issues, and they will take care of all the adjustments to be sure your photo looks its best in print. If you have any questions about whether we can use your digital photo, simply e-mail it as an attachment to celebrations@wsjournal.com, and we will check it for you.

**What if the photo I want to use isn’t vertically oriented (portrait style)?**

Most of our announcements use portrait-style photographs (where the photo’s vertical dimension is longer than the horizontal dimension) instead of landscape-style photographs (where the photo’s horizontal dimension is longer than the vertical dimension). Depending on the photo, we may be able to use a “landscape” photograph if the person or people who are to be shown in the photograph can be cropped into the template. Some examples:

**Can I use a color photo?**

Yes. Please do not convert your color photos to grayscale.

**Can I have my photo back?**

Absolutely. Photos may be picked up at the front counter at our office (418 N. Marshall St. in downtown Winston-Salem) the Monday after the photo is published. Photos will be kept for 30 days after publication. You may provide a self-addressed stamped envelope if you would like the photo to be mailed back to you. We are careful to take good care of your photos, but the Journal cannot be held responsible for lost or damaged photos.

**What if I don’t have a 5-by-7 inch print of the photo?**

We can use most photos that have dimensions between wallet size (2-by-3-inch) and letter size (8.5-by-11-inch). Please provide the photo you would like to use at its original size.
